Significant Activity in Audubon Park

Three Offense reports taken in Audubon Park: two thefts have a suspect who is being charged. We recovered over $6,000 in stolen property for one victim. The other is a harassment case with charges being taken by the victim. 29 citations were written due to parking issues during the concert festivals.

The Code Enforcement Officer was out sick for September. The police department, along with assistance from Jason Payne, worked on several code issues. This included trash cans being left out or put out early. Also, several issues with tall grass. Some were brought into compliance while at least one is being cited for continual non-compliance.
